Ex.) Hello everyone! I am Macor Yuen. Welcome to my homepage! I am studying two programs in CCIT and linguistics in UTM (hyperlink). I love taking photographs and design webpages. You can navigate my creations in the photogrpahs and webpages design navigation.

I.E.) I like watching television programme in Netflix and waching Football montages in Youtube. The television programmes I watched in Netflix was Money Heist, and the reality show called Too Hot To Handle. I like both of the shows and I recommend both of them because they are entertaining and interesting.
